

Grout Family Dentistry Patients:

Today, the American Dental Association, in conjunction with the Colorado Dental Association, recommends all dentists postpone elective and non-urgent care for the next three weeks. After careful consideration, we have decided that it is in the best interest of our patients and staff to limit our treatment to emergencies during this time. If you have an appointment prior to April 7, 2020, our staff will be contacting you to reschedule your appointment.

Please be assured that if you have a dental emergency (severe pain, swelling, possible infection or dental trauma), we will be available to assist you. Please contact our emergency number at 303-918-7752.

As you know, this is a very fluid situation and we will continue to update you on any new directives or schedule changes. We are very fortunate to have such a wonderful patient family, and we appreciate your patience during this difficult time.

Sincerely,

Dr. Jeff, Dr. Ron, and Team
